Sir:

Applicants respectfully request that a Corrected Filing Receipt be issued in the above-captioned patent application. An error should be corrected in the Title of the Invention as follows:

Delete "Method of inhibiting the formation of by-product in the production of genetically modified polypeptide" and insert --**Methods for Reducing the Formation of By-Products in the Production of Recombinant Polypeptides**--.

Applicants respectfully request that a Corrected Filing Receipt be issued with this correction. A copy of the Filing Receipt, with the correction marked in red is attached for your convenience.

Applicants believe that no further fees are due. However, in the event of any variance between the fees determined by Applicant and those determined by the PTO, please charge any such variance to the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,

Dated: December 30, 2007
